MEMO

Date: 8/26/2013
To: Commissioners' Court
From: Tracy R. Homfeld, PE, CFM; Collin County Engineering
Subject: Interlocal Agreement between Collin County and the City of Allen for the Right of Way Participation for the Interchange at US 75 and SH 121 – New 2007 Bond Project #07-00-22. Collin County participation not to exceed \$444,284.85.

The city of Allen has entered into an agreement with the Texas Department of Transportation (TxDOT) for 10% of the Right of Way costs for the interchange between US 75 and SH 121 as defined in 43 TAC, §15.55. The total cost of the Right of Way, stipulated in the agreement between City and TxDOT, was estimated to be \$1,500,000. The final reconciled cost of the Right of Way, as determined by TxDOT, is \$8,885,697, therefore the 10% Local Government share would be \$888,569.70. The City and County have determined that the improvements are of regional significance, and merit partnership between the two agencies. The City has requested the County reallocate funds from Bond Project # #07-003, (Exchange Parkway Overpass at SH 121) to fund 50% or of the City's Right of Way participation with TxDOT.
